

Car 1952

5 May 1952

Dear Dr. Claxton:

In response to your letter of May 1, permit us to tell you that we have sent you, at the request of President Case, of Boston University, procession and tea cards for the ceremony on the 18th, at the Hall of Fame. We are happy, indeed, to have you as the representative of Boston University.

You will note from the procession card that academic robes are in order but by no means obligatory. However, for your own information, a great number of persons will wear academic attire.

Cordially yours,

Bertha L. Lyons (Mrs. N.)

Dr. Allen E. Claxton, Pastor
